# SPECIAL EVENT DESCRIPTIONS

## WEDNESDAY 21 FEBRUARY

### TOWN SQUARE

#### Laurel's Prize Hardsuit Tourney

**Time:** 1 - 3pm

Back by Popular demand! Open to all Laurels and apprentices who are authorized hardsuit combat fighters. This is a prize tourney, all combatants need to provide a prize for entry, preferably made by your (or your apprentices) own hands. Style of tourney will depend on number of entrants but historically it has been round robin.

#### Early Bird Rapier Tournament

**Time:** 3 – 5 p.m.

So you came to Estrella War early. So you get to fight early. Join the other early arrivals and enjoy the camaraderie. The Early Bird Tournament is for those Rapier fighters who are on site and ready to fight early in the War.

It will be a five weapons style prize tourney. Bring a prize valued at \$10-\$20 to enter.

There will be as many fights as possible, with everyone fighting every round, and prizes will be given out based on the number of fights won. Heavy Rapier is the standard, but Cut & Thrust is encouraged for those authorized. Come fight someone, or several someones, you have never faced or rarely face.

Outlands and Atenveldt allowable heavy rapier blade conventions will be observed. Parrying devices, armor, and weapons will be inspected before each tournament by Tournament Marshals and designees. Armor standards are those of your home kingdom.

All authorized rapier fighters must provide proof of their authorization in Heavy Rapier / Cut & Thrust Rapier, or else have a Marshal from their Kingdom vouch for them.

Rules of the field are standard Estrella War Rapier conventions. (Please review them, as they may be different than the Rules of your Kingdom.)

Lists will open and armor inspections will begin approximately 30 minutes prior.

**Sponsored by** the Company of the Sable Blade, marshal in charge is Master Koga Takashiro Kagehiro (TakaKensei) & THL Hamasaki Eiwa Miyako (EiwaKensai)

### ARTS AND SCIENCES/GRAND PAVILION

#### YAFA Display in A&S All WEEK

The Society for Creative Anachronism has been developing the Youth and Family Achievement Program, also known as YAFA, for the past few years and it has now launched in several Kingdoms. It is a progression-based arts and activities program designed to teach medieval skills to youths across the SCA. With levels for age groups starting at five up through seventeen, the YAFA program provides a common SCA-wide platform that would allow families with children the ability to explore together areas of their own interest while working with designated mentors. A representative for the program will be on hand to answer questions!

# KINGDOM OF ARTEMESIA

## Estrella Clue Party

**Time:** 8pm

**Location:** Artemisian Encampment

You are cordially invited to join your fellow Crowns and Royals for a fun evening of Strength, Finesse, Wits and Mystery. The party is Wednesday night at Estrella War, starting at 8pm in the Artemisian Encampment.

## THURSDAY 22 FEBRUARY

### TOWN SQUARE

#### Outlands Prize Tournament

**Time:** 10am - 6pm

The list table for the Outlands Prize Tournament opens at 9am, bring your fighter authorization cards to the list table (Outlanders, you'll need your membership card as well). Or avoid the line and PRE REGISTER! (Link will be provided)

The format, pending Their Majesties' approval, will be as usual, with a 1 hour pit fight, followed by an elimination tournament. ALL fighters are encouraged to enter, regardless of skill level, as we will take the top fighters in one tournament, and a secondary group of fighters in another, separate tournament.

Assignment of fighters to each pit will be a mixture of all Kingdoms and ranks - we pride ourselves on giving you the opportunity to fight people from across the Known World. The fighting will open with bear pits. The first and second fighters will start off in a single fight. The loser will exit to give the name of the one who just beat them to the List Mistress for their field and goes to the end of the line. The next fighter in the line goes in to fight the winner. You know the drill.

If there is a double kill, both fighters are considered to have a loss. In this case, 2 new fighters will enter the ring for the next fight. If a fighter in a cell achieves 15 wins, they are automatically in the final and are removed from the Bear Pit.

Weapons are limited to 7.5 feet in length. After the 1-hour Bear Pit, the top winning fighters (including those that acquired 15 wins in that cell) will move on to a Best 2-of-3, double elimination tournament with all the pomp (double kills re fought). Additionally, a secondary tournament from fighters specifically selected from the bear pits will run concurrently. Draws will be semi-random and we will try to minimize the fighters having to fight someone from their own kingdom or one they have fought before. This will start with multiple fields and dwindle to one as the number of fighters lessens.

The victor of each tournament will receive wonderful prizes gifted by Outlands artisans and her citizens!

#### Open Music Jam with DragonSong

Feel free to bring photographs and other mementos to display on a Memorial Table, and a goblet and favorite beverage for toasting the departed. Paper and pens will be provided to write memories or messages, which will then be ceremonially burned.

### **Carnival**

**Time:** 8pm - ??

**Location:** The Barony of Sundragon (Atenveldt)

Laissez les Bons Temps Rouler!

The Barony of Sundragon invites one and all to an anachronistic celebration of the ancient tradition of Carnival. Come and enjoy traditional Cajun fare while sharing in the festivities of the season modernly known as Mardi Gras!

Carnival is a tradition that originated in the Middle Ages (arguably, there are some roots in pre-Christian paganism). The word “Carnival” derives from the Latin “carne levare”, loosely translated as “away with meat”. It was (and still is) a pre-Lenten celebration whereby the populace could “get it all out of their system” before having to abstain from temptation during Lent. Carnival celebrations peak on the day before Ash Wednesday (the first day of Lent), on shrove Tuesday, otherwise known as “Fat Tuesday”, or Mardi Gras (In French). Fat Tuesday refers to the ceremonial slaughtering and consumption of a fatted cow (boeuf gras in French) on this day.

The first Mardi Gras in the U.S. is generally believed to have been celebrated on March 3rd, 1699 at the "Pointe du Mardi Gras", as it was named by explorer Jean Baptiste le Moyne Sieur de Bienville, about 60 miles south of modern New Orleans. Bienville also established "Fort Louis d la Louisiane" (now Mobile, Alabama) in 1702, and celebrated the first formal Mardi Gras one year later.

Today, Carnival is celebrated all over the world, most prominently in Brazil and the Caribbean, as well as in Mobile and, famously, New Orleans. The festivities in the U.S. consist of parades, grand balls, parties and good food.

Join Sundragon in this celebration by sampling gumbo, jambalaya, king cake and other delectable from the Deep South.

## **BARONY OF TWIN MOONS**

### **Rapier Torchlight Tourney**

**Time:** 6 p.m. – Until Complete

**Location:** Barony of Twin Moons Encampment, Krieg Einhorn

You and your friends gather at a tavern, the aroma of freshly baked bread manages to permeate the stench of spilled beer, sweat, and stale sawdust. A fire crackles weakly in the corner, casting long shadows upon the barkeep who continues to polish a dingy glass with his filthy rag. From these dingy premises a party of adventurers will sally forth to face the forces of evil, setting their courage against the maniacal minions of a vile villain: The Dark Lord

Do you have the courage and skill to carve your name in the sky, etching a legacy amongst the stars? Do you have the blackness of soul and illness of intent to halt a hero's ascendance?

Join us for a tournament of good versus evil, of mighty heroes versus vicious monsters.

The Rules:

- Heroes will have classes that determine their weapon set, decided by a random card draw.
- They will enter a dungeon encounter in which they will face four foes in a Monster's Gauntlet, one after another. This gauntlet shall be composed of randomly drawn Monsters.
- Once they have completed their bout, Heroes shall be resurrected by the Dark Lord to join the ranks of the monsters.
- A Round is completed once all entrants have fought their Monster's Gauntlet.
- Rounds shall continue until every entrant has fought with every class, or until time is spent. Three shall be the number of victors, and the number of victors shall be three (3)!

\* Victor the First: The Hero with the most kills.

\* Victor the Second: The Monster with the most kills.

\* Victor the Third: The best Monster portrayal.

Come forth and levy your skill against the forces of evil and thwart the villainous plans of the Dark Lord. Fight, win, and become a legend.

All authorized rapier fighters must provide proof of their authorization in Heavy Rapier / Cut & Thrust Rapier, or else have a Marshal from their Kingdom vouch for them.

Rules of the field are standard Estrella War Rapier conventions. (Please review them, as they may be different than the Rules of your Kingdom.)

**SPOKEN WORD** – May the storytellers and poets of the known worlds come forward to enchant us all! Original, period, and future pieces all welcome, so long as they are performed by speaking.

**KINESTHETIC** – This category is for physical entertainers, may that be dancing, puppeteering, or live dragon-taming. If your entertainment is primarily expressed by movement, this is the category for you! Both historical and original pieces accepted!

**MUSICAL** – Finally, the most popular form of crowd entertainment. This category is for singers and instrumentalists. Historical, original, and future pieces are all welcome.

First, Second, and Third prizes will be given in each category.

A fifth and final award will be given to the Champion's Choice, a single performer favored by the facilitator of the event.

There will be three impartial judges for all the categories. There will be a single round of performances, and only in dire moments of indecision will a tie-breaker round be initiated. **PREPARE A SHORT SECOND PIECE JUST IN CASE.**

This is a fantastic opportunity to **SHOW OUT** on behalf of your Kingdom, Barony, and Household, so **DON'T MISS IT.** If you care to secure your performance slot ahead-of-time, please feel free to email

lovey.redhands@gmail.com (or send a FB PM) with your Letter of Intention, and intended categories. Thank you!

Yours in Service

Barony of Atenveldt Bardic Champion

### Best of the Branches

**Time: In Conjunction with Known world Bardic**

Are you the Bardic Champion of your local group? Then we challenge you to thrown down on Friday during and immediately preceding the Known World Bardic which begins at 7pm.

The competition will be as follows: This year we are combining the Known World Bardic with the Best of Branches, to find Atenveldt's bardic champion of champions! That's right, we are doing something new and exciting! In order to compete for the title of Best of Atenveldt Bards, each Bardic champion has to compete in the Known World Bardic! The actual Best of Branches contest will be judged by a panel of members of the Order of the White Oak **AFTER** the Known World Bardic. To find the Bard of Bards, we are looking for you to bring pieces that embody what it means to be a true bard.

First Round: bring a song from your homeland, whether it be an anthem of your Kingdom, Barony, Shire, or College, or a piece from your persona's region of the Known World, bring us something patriotic! This song will

be performed DURING the Known World bardic and will qualify bardic champions to compete in the Best of Branches round immediately following the Known World Bardic.

Second round: The Bardic champions of Atenveldt who compete in the Known World Bardic automatically make it to round two! This round will occur IMMEDIATELY AFTER the Known World Bardic. These brave bards are asked to bring a piece that embodies our favorite time of year: WAR SEASON!!! Bring us your best battle hymn OR war story.

Tie breaker round: The Bards of the Sun naturally enjoy being a team, and became the Bards of the Sun because of a tie, but this is the Best of Branches, THERE CAN BE ONLY ONE!!! Should the White Oaks require a Bard-off, bring us an original song or story that adds to the mythology of your Kingdom, Barony, Shire, or College. This round will be held at the discretion of the White Oaks, and may not happen, but you should be prepared for it anyway!

Thus, having demonstrated their abilities in evoking emotion, educating the populace, and mastery over mythology, one of our competitors will be chosen by the White Oaks as the Best of the Atenveldt Branches, the Atenveldt Bardic champion of champions! Please spread the word to your local Bardic Champion, the Bards of the Sun want to see him/her come out and show us what they can do!

Please note all songs should be 5 minutes or under and all stories should be seven minutes or under

Greetings all! It is time for our annual Helga Ball tournament at Estrella War! Closed toe shoes are required, and soft volley ball knee pads are helpful. Ladies wear an apron dress or baggy tunic that you can catch the "Ball" in (did I mention we use cabbage for balls?) You must be over 18 to play. We will offer a brief overview of how the game is played 20 minutes prior to the match.

**Children's Clothing Exchange**

As the littles grow, so does the need for new garb and what self-respecting SCA mom has time for that with all the exciting activities we are already busy with? ## **RAPIER NOVICE TOURNAMENT**

**Time:** 2 – 5 p.m.

The rapier novices of Atenveldt revealed themselves in great numbers at Southern Crusades. There must always be opportunities for the new men and women of the rapier community to show their steel. At Estrella War there shall be a Rapier Novice Tourney for those among the populace of Atenveldt who have been fighting for 3 years or less and have not be recognized at the Kingdom level with a fighting award. There shall be prizes for the top three fighters but also for the most chivalrous and the most disciplined or practiced. This is a chance to throw your hat and your blade into the tournament ring that should not be passed up. The format will be contingent upon numbers but expect a Round Robin that will maximize the number of fights.

What better way to show your burgeoning skill than by crossing blades by torchlight?

Rules of the field are standard Estrella War Rapier conventions.

Outlands and Atenveldt allowable blade conventions will be observed. Parrying devices, armor, and weapons will be inspected before each tournament by Tournament Marshals and designees. Armor standards are those of your home kingdom.

All authorized rapier fighters must provide proof of their authorization in Heavy Rapier / Cut & Thrust Rapier, or else have a Marshal from their Kingdom vouch for them.
